

Mr. Norman Milton Perry

January 18, 1977 - March 29, 2024

On the morning of Friday, March 29, 2024, Norman Milton Perry, 47, of Chateaugay, NY passed away in his home unexpectedly.

Norman was an avid outdoorsman, who loved to hunt, fish, go four wheeling and spend time farming. You could often find him in the barn or on a tractor doing field work. He lived his life to the fullest. Formally, the owner of Perry's Tree Service, he cut trees from Putnam, CT to Malone, NY, doing most of his tree work in Owls Head, NY. The man would have surprised you at how great of a tree climber he was, until medical problems no longer allowed him to do such.

Norman was an exceptional husband and love his wife more than words could explain. He always put her on a silver platter and gave her the world. He built her a beautiful home, that they would have shared their lives together in, that she will forever cherish.

Norman is survived by his wife, Sierra Perry and her son, Mason of Chateaugay, NY; two brothers, John Perry of Chateaugay and Jeff Perry of Pomfret, CT; two daughters, Hannah and Hailey Perry of Moira; his mother, Carlene Perry and his step father, Russell Mort of Salem, NY; as well as many aunts, uncles, nieces, nephews and friends.

Norman was predeceased by his sister, Laura Perry; his father, Ralph Perry; his grandfather, Glenn Peterson; and his grandmother, Elizabeth Peterson.

Norman will be forever missed by all of us and his memory will never be forgotten. We will all keep his memory alive in every possible way. We love

you forever Norman.

Calling hours will be held at the Chateaugay Funeral Home on Wednesday, April 10, 2024 from 10 a.m. to 11 a.m. A memorial service will be held immediately following in the funeral home chapel at 11 a.m.

A celebration of life will be held following services at the Chateaugay American Legion.

I love you forever Norman. Your loving wife, Sierra.

Sup dad, one of those early mornings, on my way to work watching the sunrise and thinking of you. I started a state job recently. Not a day goes by where I don't think about ya. Caught a 32 inch pike while ice fishing this year! Trying to top your walleye! Done a lot of snow mobiling this winter. Almost spring time!! 27 days till it makes 2 years. I wish you would've just known how much we loved you dad.

“ *Dad, why does it have to be this way. It doesn't feel real. I know how much you loved up despite of what someone has to say, and you will ALWAYS know that Hannah and I love you very much. We always have and we most definitely will.*

Hey dad, it's one of those nights tonight. You've been on my mind so much. Thank you for always protecting us from the sky. I hope Hannah and I are making you proud. I have so many dreams of you then I wake up and realize it isn't real. I'm getting married next year, I wish you were there but I promise to save you a seat. I can't wait to see you again, have a beer and catch up on sooo much. Until we meet again.

*Love, your DAUGHTER
