“ *Pat was a lovely lady and a great friend to my Aunt Sis. I remember as a little girl visiting Pat with Aunt Sis and Pat's son Billy and my cousin Larry were in strollers at the time. We would go for walks together and then come back to one house or the other for a snack. In later years, I would visit Al and Pat with our St. Patrick parish youth group during Good Friday Confirmation retreat. Pat would always write a nice thank you note in appreciation for our visit. I will miss having a visit with Pat on the phone, she would always call and thank me for special greetings I sent to her. I will miss her but I know she is at peace and with her Al. Love you Pat ❤️.*

“ I was a little kid living next door to Mrs. Landry. She and her kids were always nice to me. Nicer than my own parents.

My condolences to you all. Your mom was part of the White Street ladies' clique. I was barely out of diapers when you kids started school, but I remember Mrs Landry in hair curlers and kerchief standing in her doorway gossiping with the neighbors lol. I am the nephew of the Bush family, btw. No doubt you remember them. These are sad days, and I'm sorry your mom is gone, but not forgotten.
