“ *So many memories. Randy raised myself and my siblings and was a wonderful father and papa to all of my children .He was a very smart man and taught myself and my children as much as he could in the time we spent together. He will be so dearly missed by us all . I know his pain is gone and he is in heaven with his family and his best friend Donovan smiling and watching over us all .*

“ I think Randy helped his friend Don Rogers stay in farming during his last years at the farm before Don retired. Randy was a very hard worker. Not only that, but Randy also helped Don during Don's retirement when Don got sick. He also helped Kathy and I when we needed help with repairs next door. Our family will miss him. He was a talented handyman who also had a good sense of humor. Randy, you will live on in our memories,

Wayne and Kathy Woodward and family
