“ A man and his dog are never apart. I always enjoyed in the evening sitting at the picnic table at Maplefield's in Malone and listening to Bob's words of wisdom. We loved hearing the many stories of his life experiences during his 20 years in the Air Force serving his country and on his many cross country bike rides with Skeeter. While on his bike rides he would get tired riding all day and he would find a tree in a cemetery to take a quick nap along with Skeeter. He always said it was peaceful there and nobody bothers you. Bob, may you rest in peace. Jim & Verna Allen will miss you.
