“ *Bob was my supervisor at MCI (I believe I have the correct person). He was truly a very good boss, kind and advised me on a few very important life decisions when moving from Denver to Colorado Springs. I was hoping to thank him directly. I am grateful for his wise words over a few years. Blessings to the family. Sherry Fairchild, Colorado Springs. Email: sdfairchild@mac.com*

“ You will forever be in my heart, Bobby. I will never forget you! You were such a strong man with a kind and loving heart. Just like our own father. You lived for your beautiful family and will be looking down on all your beautiful daughters & grandchildren. You have left a legacy of love and smiles. Your life here touched so many. Your life wasn't easy, but you accepted every struggle with grace. It was only the miles that kept us apart. I treasured all our phone calls and always had the hope of seeing you and giving you a hug one last time. That is my only regret, as I loved you dearly. I know you are at peace now in Heaven with Carol. I know in my heart you were welcomed by God with open arms when you were called home. You will live on forever in the hearts of your beautiful family, the treasure you left behind. Thank you for being my loving brother. I pray you will watch over me too. Your nieces, Donna & Maria & your two great nephews and all your cousins here will remember you always with love and smiles. I will share my stories of you as long as I am on this earth. Our love and deepest sympathy to your beautiful daughters, grandchildren and close friends. Your sister, Joan.

“ *The measure of a man is not through what he possess, a man's worth is valued by the memory of those around him. The affect on the people he meets and of his family.*

Mr. Robert Stumpf's legacy is forever alive through his daughters, grandsons and granddaughters. They carry the light of his spirit and the keepers of the family history. They hold the record of his memories that will be passed down to further generations.

He is the reason why his family is well loved by others and why so many around them are blessed to have known them.

God bless his soul and the Stumpf family.
