“ To all the Blair Families,

Our thoughts and prayers are with everyone during such a difficult time. Sally was such a wonderful gal and I remember her best from the old Alix's store on Main Street. Always nice and very funny. She did love her family and loved to share her stories. May she rest in peace. 🌹

“ My condolences to the Blair family. I always enjoyed my chats with Sally at Bill's and left the store feeling my day was the better them. She both loved and was proud of her family. The smile she had when talking about them stays with me.
