“ Oh my sweet, kind hearted, insanely beautiful momma💜 There will never be enough to say about you. Your smile was enough to turn around anyone's day in the same room as you. We will continue making memories with and for you. Not a day will go by where you will not be spoken of. I promise to forever carry on your name and everything you loved. Thank you for teaching me the ropes of life and how to be a woman. I'd choose you in every life time to be my mom. You're missed dearly and would never even know how badly.
