“ Sandy, you don't know me, but a couple of years ago you were one of my mother's caregivers as she was at the end of her journey in this world. You were there for my family at our time of need and I would just like to let you know how sorry I am to hear of your loss. Know that my thoughts and prayers are with you and the rest of your family. May God bring you through this time with his hand on your shoulder and love in your heart.

“ I was shocked and deeply saddened by Sean's horrible fatal
accident. Though quiet by nature around NAC, it was plain to see
that Sean was admired and loved by his teachers and vast number
of friends. This shining light burned out much too quickly. Alas, he
was ours for a while...with deep condolences. Ms. M.
