“ To the Mahoney family, but to especially Caitlin,

Sean had the biggest, best smile, and that smile grew bigger and brighter every time he talked about you Caitlin- his love for you remains forever. He was a kindhearted, good man, and a friend to many.

I'd like to share The Legacy:

When I die, give what is left of me to children. If you need to cry, cry for your brother walking beside you. Put your arms around anyone and give them what you need to give me. I want to leave you with something, something better than words or sounds. Look for me in those people I have known and loved. And if you cannot live without me, then let me live on in your eyes, your mind and your acts of kindness. You can love me most by letting hands touch hands and letting go of children that need to be free. Love does not die, people do. So when all that is left of me is love...Give me away...
