“ To all the members of the Pageau family. My sincere condolences on the passing of your Mom. She was such a nice lady. Shirley was always a fixture in Lyon Mountain. There was never a time when we ran into each other that I didn't receive a big "hello". Her children who were my age and grew up with me treated me like a true friend and we always enjoyed warm and friendly conversation. I guess it is true that the apples don't fall from the tree. After you get through this difficult time I hope that you will all speak fondly discussing the happy memories rear you remember about Both of your parents. It is tough losing a parent but always cherish their memories.
