“ Our deepest condolences to Richard, Shawn and families We have known Shirley and Richard for many years as we grew up next to the St. Mary family on the farm. Occasionally, we would run into Richard and Shirley at the local eateries. Always a hug was warranted and sharing of the latest news. Her smile and laughter were contagious. Bless you Shirley, may you rest in peace. You will never be forgotten! Gerald Langdon and Children: Brian, Dana, Linda, Steven, Lori, David and Mark.

“ Richard, you Shawn & Sarah, Brady & Julianna are in our thoughts and hearts.. We remember meeting Shirley for the first time in the motel with her affectionate cat. Our friendship with all of you has grown with building our home along with others on the Wellsprings Preserve. There were fond memories of gatherings especially at Christmas. Shirley's faith was evident to many and carried her and all of you through recent times. We offer our support through friendship and prayers during this time of Shirley's passing. “ Richard, you and Shawn are in my thoughts and prayers. I was so saddened to hear of Shirley's passing. My heart is broken for all of you. She was such a dear friend in school and so glad we stayed in touch. I saw Shirley 4 years ago, we met for lunch then went to your home which she loved so much. I am a better person for knowing the two of you. My deepest, heartfelt sympathy to you and your family.

“ I am a cousin of Shirley and one of the most memorable times that I had with her is many years ago, we went on a girls trip to Vegas! She was so excited and first time flying! We went to shows and did a little gambling, which she very much enjoyed. She entertained all of us with this new adventure. Will miss this sweet beautiful cousin. Rest in peace.
