“ What do I say? I still can't believe this is surreal, 😞 I'm still waiting for you to come through the back door and greet us with your smile, I've only known you for 7 years, but it felt like a lifetime. To me you were not just a partner with Stewart's, you are family ❤️ and always will be. We love you Stevie!

“ *I remember being in school with you and when anyone was having a bad day all you had to do was smile at them and they somehow felt a little better. You were always a bright shining soul. I'm going to miss seeing you at Stewart's when I would go in and I'm going to miss that most perfect smile.*
