“ I was deeply saddened by the notice of Mrs. Brockway's passing. She was a wonderful loving, caring person that has never been forgotten thru the passing years. I know Jeff will be devastated----he loved her so and has many memories of the times he spent on the farm with both of them, We both thought the world of her! 'God saw her getting tired, so He wrapped his arms around her and whispered "Come with Me".'

*With love and lasting memories,
