“ I was so saddened by the news of your passing! We have always had a special bond and I always considered you part of our family! You were always the kind of guy that would do anything for anyone and didn't deserve to leave this world so soon! 😞 I echo Mickey's comments on all the good times we had growing up on Lower Park Street! May you Rest In Peace and may all the good times provide strength to your family members during these difficult times.
