“ I didn't know of Troy's passing until today. He was a great friend. I have known him since high school, and we were also good friends at WCU. He always had a great sense of humor and was a very caring individual. He is missed. I hope he rests in peace.

“ Rosann so sorry for your loss. Troy was a good friend and my wife and I had some great times at the meetings we use to attend together. I enjoyed meeting you the time we all went out to dinner when I was in Malone helping out Troy at the District. That was a long time ago.

My heart goes out to his son and the rest of the family.

He will be missed! I will miss his laugh and his funny jokes!

“ *What a wonderful, kind man. Troy was a pleasure to work with and alongside. He could remain calm while all around him were in turmoil. He had that southern charm that put people at ease. He was always so thankful for anything, large or small, that you could do for him. There are so many people in Malone who owe him a great debt of gratitude for the work he did to provide meals during the Covid pandemic. The world could use many more like Troy Reynolds. It was an honor to know him.*
