

## Mr. Truman Richards

November 13, 1936 - November 7, 2018

It is with a heavy heart that the immediate family of Truman Richards announces his death on November 7th, 2018.

A Malone native, Truman was born to Frederic Richards and Alice (Payne) Richards on November 13th, 1936.

Truman was predeceased by his parents, his brothers, Fred, Robert, Arthur and by his dear sister, Marion.

He attended local schools and was a graduate of Franklin Academy. He worked for forty years as a skilled tradesman.

In 1983, he married May Moore of Ottawa, Ontario and became a caring stepfather to Barry and Barbra. He was a loving, devoted husband and beloved Popi to Philippe, Jeremy and Lily.

A true outdoorsman and was never happier than on the slopes or on the golf course.

For our small family, he was the joy of our life.

According to his wishes there will be no funeral and no viewing. May and the children will host a memorial luncheon at a later date. The date, the time and the location will be announced in local papers.

Gather with us to honor this exceptional man who was so well loved.

“ No one could make me laugh more than Truman. He would saunter into the room ...hesitate for a moment...and then transform into an incredible “John Wayne” impersonation...that would make you think the “Duke”, himself was standing in front of you. But, most of all I will remember how much he loved and “absolutely and completely” loved and adored my dear friend, May,”...and Barry, and Barbara and the grandchildren. I will miss you, my friend. Love, Danice

“ *Dear May and family,  
I am so saddened by the news of Truman's passing. I was your and Truman's Dental Hygienist for many years on East Main Street in Malone. I always enjoyed conversation with Truman, as he would always be full of wit and humor while speaking of experiences you and he shared. Each year, on your return home, I looked forward to hearing about your visit to Florida. Cherish the memories, May. You are in my thoughts and prayers during this very difficult time. Hugs.,

“ We are so sorry to hear of Trumans' passing. We knew him for a long time as he was very active at Moon Valley Ski Center over the years. He was always willing to "lend a hand" whether to offer his car battery to help start the old T-bar or fill in as a bartender

*if needed.*

*He will be missed.*
