“ very sad to hear of Virginia's passing, she was a inspiring lady and kind to be able to tolerate our mother as her roommate the last couple years. She was always pleasant and nice to visit with, when our mother was sleeping or occupied. She will always be remembered especially in the short time of one month exactly of losing them both. our sadness and comfort go out to all of you. The Barber family

“ my very first memories of Virgie are as a youngster, when my parents, Calvin and Theresa LaBarge, and their friends, Earl and Frances Parent Jarvis and their daughter Donna, would stop by the hotel in Busco. Then while I was working at CVPH, who joined our nursing ranks, and not as a young nurse but Virgie LPN! What a professional lady she was. What an excellent nurse. I reacquainted with Virgie, after she became a resident at MDBK nursing home, and enjoyed visits with her there and always loved surprising her with a visit. What a great lady!A treasure to have known..... May she rest in peace.
