“Ginger, Pete, and family. It is a very sad time for all who were lucky enough to know Bill and have him as a friend. There is now an empty space in our hearts that only he could fill. It is at these times of sorrow that we can take some solace in knowing that the memories we have of Bill can never be taken away. We all surely miss him. Matt & Kim Blanchard.

“Ginger and family.....I was very saddened to see the news of Bill's passing. He was such a nice guy. Bill and my brother Craig were great friends and both loved cars. Bill was one of my brother's only friends who stuck by him during his terrible time of sickness and passing. The two of them can be at peace now and discuss cars to their hearts content.

Sincerely,
Deb Boyea
