“ *Our sympathies to the Gibeau family. Bill was our next door neighbor at Eagle Pond. We watched him build his cabin and enjoyed listening to fish stories when he would float by in his paddle boat trying to catch every northern pike in the pond. He was so excited when I caught a salmon that he had stocked in the pond. He was a good outdoorsman and a good neighbor. We miss him.*

“ *My sympathies to you Rozanne, Camille, Maxine and Mark. I really liked your Dad. He lent me a rifle on my first whitetail hunt with my father. I stopped to see him when he was in the nursing facility on Finney Blvd. My brother Mike was there and he would go to Bill's room and talk. I would tell him how the hunting was going. He was a good person and had a great smile. I will miss him. My prayers are with you all. Jim Stickney*
