“ I offer my sincere condolences for your great loss. I am very sad to learn of Bill's passing but remembering all the good times Billy and I shared in high school does bring a smile. I remember working on farm chores along side him and his father and brothers, sharing many laughs. Billy was a good friend and we went out on the town many times together after work, just unwinding and being crazy teenagers having fun. I remember riding with him in his red VW bug many times. We came into the tight curve on 122 on the way to Westville one rainy Friday night with a little too much speed and actually spun the bug around 360 degrees. We laughed like heck and kept right on going to the Elm Circle. We always got home safe thanks to Billy. The days at camp on Indian Lake waterskiing with Billy and getting rest and relaxation with the family will always be special memories. Billy was a great guy and a true friend to me.

*Take care Penny, Kay, Ann, Sally, Paul, Mary and Laura.
