“ I have fond memories of Uncle Desmond, I still think about how funny it was that he talked to me in French when I told him I was learning it in school, I had no idea what he was saying but truly a memorable moment for me. 90 years is such an amazing accomplishment, the world needs more like him. He also shares a Birthday with my Daughter, Taurus' are incredible. Rest easy and say hello to Aunt Hazel and the rest up there for me.

“ Gary, Christine and all the Quenville family, I am saddened by the loss of your dad. Mr. Quenville was an important part of my childhood. He taught me to skate and love the game of hockey. Throughout the years, when I visited Malone, I would seek him out just to say hi and have a chat. His kindness, integrity and genuineness were attributes that I will never forget. Rest in peace Mr. Quenville.
